國 立 陽 明 交 通 大 學

NATIONAL YANG MING CHIAO TUNG UNIVERSITY

Notice of Registration (Current Students) for the 2nd Semester of

Academic Year 2025

[Please ignore this message if you are withdrawing or have withdrawn from school.]

Important Dates for the 2nd Semester of Academic Year 2025

The 2nd Semester class begin: February 23, 2026

The period of paying for tuition and fees: February 2 to February 25, 2026

The period of paying for credit fees: March 30 to April 13, 2026

		1 W Campus · (02) 2820-7000	. /
Item	Date	Description	Division/Ext.
Search for student status and academic records	See description	A student may search for his or her status and academic records at NYCU via "NYCU Portal": https://portal.nycu.edu.tw/ . Click "NYCU" → Link to "Grading System" to perform your search. A course instructor shall submit incomplete student grades of the previous semester before January 16, 2026. Any request for correction of student grades shall be submitted before February 26, 2026. If a student has any question regarding his or her grades, he or she shall direct the question to and seek confirmation with the relevant course instructor before the aforementioned dates.	Division of Registrar YM Campus 62203 CT Campus 31666
Delayed registration	See description	According to the NYCU Academic Regulations, the registration period will end three days after the date when the class starts as identified in the calendar of each semester. Students should pay tuition and fees due to the school within three days after the date when the class starts as identified in the calendar for each semester. Current students who have failed to complete registration (or pay for the school) should, within two weeks after the date when the class starts as identified in the calendar, submit a delayed payment request to the Office of Academic Affairs for approval after the request has been reviewed and approved by their advisor (or class mentor) and the head of their academic unit or, in the case	Division of Registrar YM Campus 62203 CT Campus 31666 Departmental offices Office of International Affairs

			1. New personnel must undergo at least 3 hours of	
			"General Safety and Health Education Training". Current	
			students must retake at least 3-hours training every 3	
			years.	
			2. Those who use hazardous or harmful materials, in	
			addition to the General Safety and Health Education	
			Training, must undergo at least 3 hours of Chemical	
			Hazard General Education Training. Current students who	
			have already completed Chemical Hazard General	
			Education Training should retake at least 3-hours training	
			every 3 years.	
			3. New personnel intending to work with infectious	
			biological materials in a Biosafety Level 2 (BSL-2)	
			Laboratory must receive at least 8 hours of biosafety	
			training. Current students who have already completed	
			biosafety training should obtain at least 4 hours of	
			continuing education annually.	
			4. New personnel, based on instructional needs, who will	
			work in radiation areas, must receive more than 3 hours	
			of radiation protection lectures. Students who have	
			already undergone training should acquire at least 4 hours	
			of continuing education every year.
